

GOPAL KUMAR PURBEY

Parul University, Vadodara, Gujarat, India

+917827008357 | gopalpurbey708@gmail.com | [LinkedIn](#) | [GitHub](#) | [LeetCode](#)

CAREER OBJECTIVE

Third-year B.Tech Computer Science student specializing in Artificial Intelligence and Machine Learning with strong programming and full-stack development skills. Passionate about building intelligent systems, AI agents, and scalable web applications. Actively learning modern AI technologies and seeking opportunities to apply my skills to real-world projects and innovative solutions.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science Engineering	2024-2028
Specialization: Artificial Intelligence & Machine Learning	
Parul University, Vadodara, Gujarat, India	CGPA: 8.32/10

TECHNICAL SKILLS

Programming Languages: Python, Java, C

AI & Automation: AI Agent Development, Workflow Automation, Prompt Engineering, n8n

Web Development: HTML, CSS

Backend Development: Django, Flask, REST API Development

Cloud & DevOps: AWS (VPC, S3, EC2, Cloud Security), API Integration

Databases: SQL, Firebase

Tools & Platforms: Git, GitHub, VS Code, Postman, n8n

Soft Skills: Communication, Problem-Solving, Teamwork, Time Management, Adaptability

PROJECTS

1. Traveloop (AI-Powered Tour & Expense Planner) [[GitHub Link](#)]

- Developed an AI-driven itinerary and budget management system for tourists built for the Odoo Hackathon.
- Implemented comprehensive options for tracking estimated trip expenses and mapping out specific tour locations.

• Integrated smart notation features allowing users to seamlessly note down travel logs, itineraries, and essential Tasks.

2. Banking Support Agent (AI Chatbot) [[GitHub Link](#)]

Tech Stack: Python, NLP, JSON/CSV, AI Libraries

- Developed an AI-powered banking chatbot during the **AI Bootcamp organized by Physics Wallah** using Python and NLP libraries.
- Implemented a knowledge-based query matching system that identifies the most relevant answer by comparing user queries with descriptive banking data.
- Automated responses for common banking queries, improving response speed and providing accurate customer support.

CERTIFICATIONS & PARTICIPATION

- **AWS Academy Graduate** - AWS Academy Cloud Foundations (Issued: July 2025 Hands-on experience with VPC, S3, EC2, Cloud Security, and Cost Optimization)
- **Gemini Certified Student** - Google for Education
- **DevOps Meets AI-AWS Cloud Club**, Parul University
- **eDC's Blueprint 6.0** - IIT Delhi (via Unstop)
- **East India Blockchain Summit (EIBS) 2.0** - IIT Kharagpur (via Unstop)
